Description

A smart and well-designed top floor two bedroomed apartment in a central yet quiet location. To be sold via Secure Sale online bidding. Terms & Conditions apply.

THE PROPERTY:

To be sold via Secure Sale online bidding. Terms & Conditions apply.

Occupying the top floor of this well-regarded development, this two-bedroom apartment is arranged around an unusually generous principal suite — a rare proposition in a flat of this size, and presented throughout in good decorative order.

The principal bedroom is served by its own dressing room, readily adaptable as a nursery or study, together with a private shower room, while a second bedroom and family bathroom complete the sleeping accommodation. A well-proportioned sitting room has both a Juliet balcony and distinct dining area. The kitchen — already a good size — offers scope for those wishing to create a breakfast area. An L-shaped entrance hall provides useful built-in storage; a practical touch not always found in apartments of this style. Significant work took place in 2024/2025 that included redecoration, new flooring, the replacement of both the bath and shower rooms and the installation of new app controlled electric heating to keep running costs efficient.

Outside, allocated parking is provided adjacent to the rear entrance. The setting is central yet notably tranquil, within easy reach of tree-lined walks along the river — an agreeable combination for a town-centre address.

Offered with no onward chain and immediate vacant possession, a purchase here can proceed without the uncertainty that so often accompanies linked transactions. The appeal is sharpened further for first-time buyers, where a qualifying purchase carries no Stamp Duty Land Tax.
