Description

A fantastic investment opportunity to acquire two self-contained one bedroom apartments with tenants in situ, perfectly positioned just moments from Warwick Hospital, picturesque canal walks, The Cape of Good Hope and local amenities.

This traditional Victorian mid-terrace property has been converted into two self-contained one-bedroom apartments and is offered for sale with tenants in situ, presenting an excellent opportunity for investors seeking an established income-producing asset.

Both apartments comprise a generous living room, separate fitted kitchen, double bedroom and bathroom. The ground floor apartment benefits from direct access to a private east-facing rear garden, whilst the first-floor apartment offers an excellent opportunity for a purchaser to modernise and add value over time.

Positioned in the ever-popular Lower Cape area, the property is ideally located within walking distance of Warwick Hospital, the picturesque canal and locks, The Cape of Good Hope pub and a Co-op convenience store. Warwick town centre, the railway station and excellent road links are also within easy reach, making this a consistently popular location for tenants.

Whether adding to an existing portfolio or acquiring a first investment property, this is a rare opportunity to purchase a freehold building comprising two apartments in a highly desirable rental location.
