Description

Two Bedroom Semi-Detached Home | Substantial Corner Plot | Large Garage | Private Driveway | Generous Gardens | Excellent Potential

Occupying an impressive corner plot, this two-bedroom semi-detached home on Perth Avenue offers a fantastic opportunity for buyers looking for a property with generous outside space, private parking and a substantial garage.

A particular highlight is the property's large corner plot position, providing considerably more external space than typically associated with a two-bedroom home. The property benefits from a private driveway providing off-street parking, together with access to a large garage, making it particularly appealing to buyers requiring additional parking, storage, workshop space or room for hobbies.

Internally, the accommodation is arranged over two floors and offers a practical layout with scope for a purchaser to personalise and improve the property to their own taste.

The ground floor comprises an entrance hallway, lounge and kitchen/dining area, while the first floor provides two bedrooms and a family bathroom.

Externally, the property really comes into its own. Its end position on a substantial corner plot creates generous garden space surrounding the home, complemented by the private driveway and large garage.

The size of the plot may also offer potential for further development or extension, subject to the necessary planning permissions and consents, making this an interesting proposition for buyers looking for a home they can develop over time.

Situated within an established residential area of Jarrow, the property is conveniently positioned for local amenities, schools and transport connections, with good access to surrounding areas across South Tyneside and Tyneside.

Early viewing is highly recommended to fully appreciate the plot, garage and potential this property
